

DND DC Gel Polish

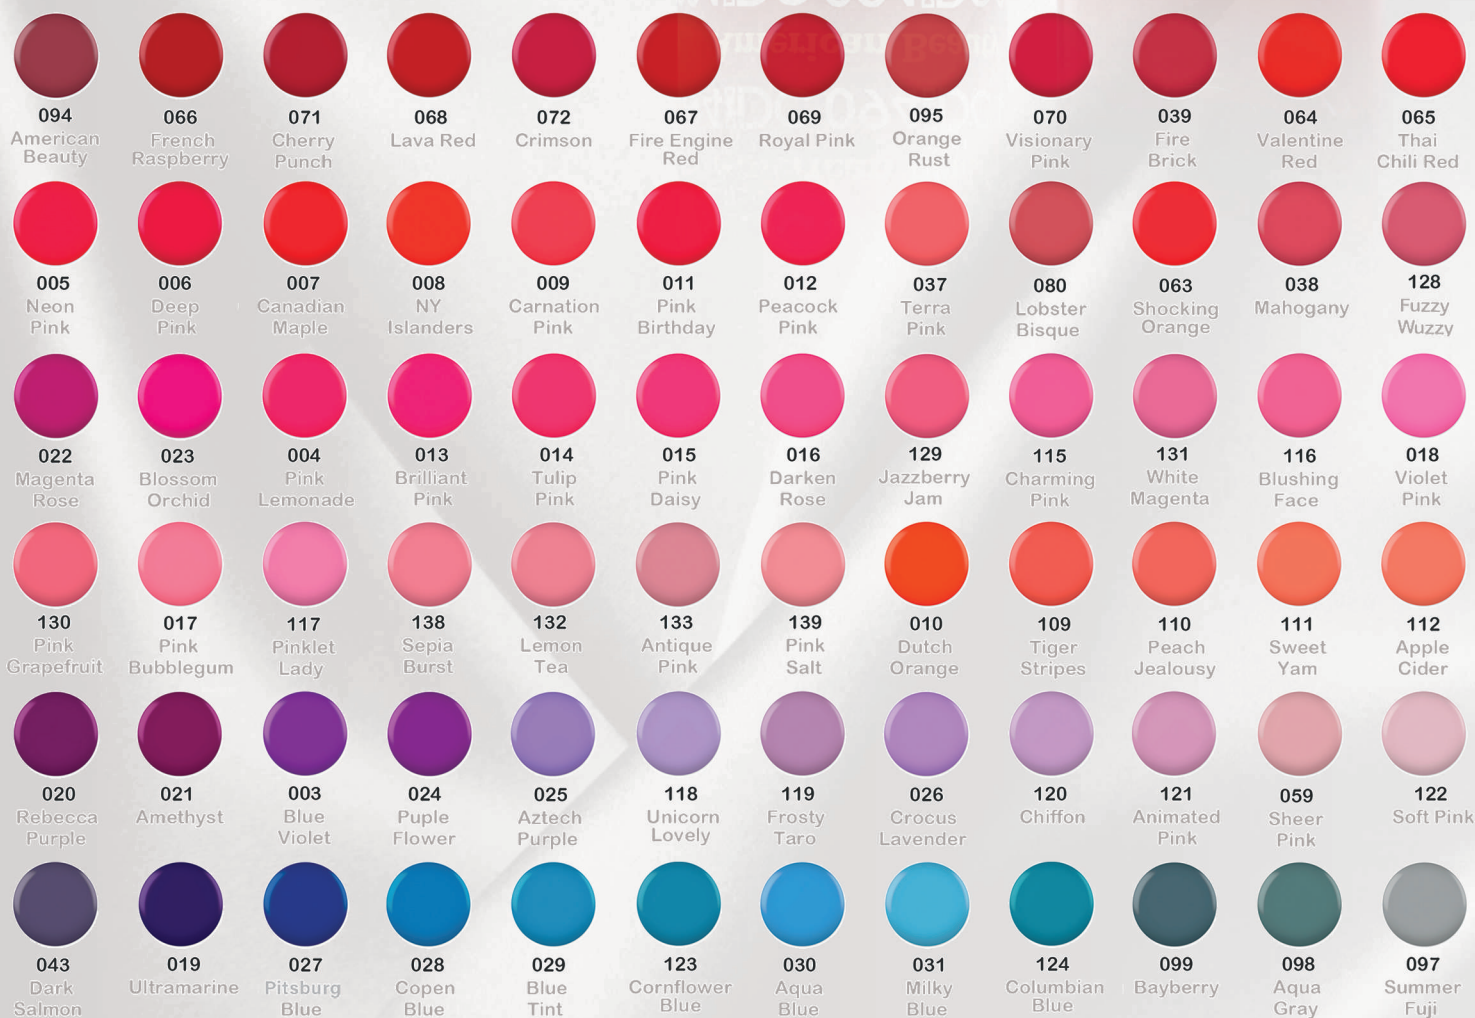

DC Gel Polish is an extension of the DND range, providing over 144 different vibrant colours for choosing, now in a larger bottle.

Pairing the polish and gel together ensure that matching manicures and pedicures are instantly possible.

Given the same ingredients as the DND, the DC range are chip resistant for up to 3 weeks and soak off within 10 minutes, minimizing the damage to the natural nail bed.

DND color guide: C - creme, G - glitter, N - neon, SHIM - shimmer, M - metallic, SHE - sheer

Let's add colors to your life

CAT EYES Collection

The Cat Eye range boasts a bountiful 36 colours which are used to create the unique cat eye effect. With the simple use of a magnet, a mesmerising cat eye effect can be created, which cannot be duplicated through nail art!
